The recruiting compaign for the KVP, HVDCP, HVDVP, and the SfS-is baing och the justed by officers and NCOs of all the VP branches of service mentioned Civillian employees do not participate in this campaign which is usually conducted over week ends. Since all recruiting activities conducted in the civilian sector are controlled by the SED Central Committee, the acting SED party secretaries at factories are responsible for the success of the recruiting campaign conducted for the VP in industrial enterprises. Officers and NCOs of the Kreisregistrierabteilung (Lecruiting exfice) continuously check on the success of recruiting activities in such enterprises. 25X1 extensive recruiting activities were 25X1 ging on for the Wismut AG in the Sonneberg area. The physical examination for candidates recruited takes place at Erfurt. Since so far none of those recruited have been ordered to report for work, it is generally believed that preparatory measures for the introduction of universal military service are actually involved. 25X all burgomasters of Kreis Pasewalk were ordered to draw up lists of all takes from 18 to 45 years old. The lists must be submitted to the competent district police headquarters. On 5 March 1954, KVP officers and SED functionaries made propaganda for the KVP at the secondary school in Torgelow. The same happened on 6 Merch at the secondary school in Weckermuends. A total of 40 juveniles are said to have declared their readiness to join the KVP. 25X1 at the radio engineering plant in Zittau/Olbersdorf.
